About Us

Mahindra Powerol and Mahindra Susten join hands to form Zolario who promises world class products with exceptional advantages like Lesser Turn Around Time, Accurate solar shading analysis, Remote monitoring, Wide network coverage and the Trust of Mahindra which makes your Roof Top Solar experience unique.

About Mahindra Susten:

Mahindra Susten is a portfolio company of Mahindra Partners, the USD 1 Billion private equity division of the USD 19.4 Billion Mahindra Group. Mahindra Susten offers a range of diversified services within the Cleantech space.

Susten also offer innovative products like single axis solar PV tracker, micro grid solutions, PV module cleaning robots and services like engineering, Operations & Maintenance and analytics. With a portfolio of 3.2 GWp of solar projects, at various stages of execution and a commissioned portfolio of 1810 MWp we are one of India's largest and most trusted EPC company.

About Mahindra Powerol:

Mahindra Powerol is a part of Mahindra Group, entered the field of Power Generation in 2001-02. Today, engines from Mahindra Powerol are powering Diesel Generator sets from 5 kVA to 625 kVA.

Since inception, Mahindra Powerol has made rapid strides in the Indian genset industry within a very short span it has become the first choice of telecom majors.

Besides Telecom, Mahindra Powerol DG sets are powering customers from a diverse cross-section of industries and commercial establishments including Public Sector

Product Offerings

Solar Kitting Solutions: 1 kW to 250 kW

- Module
- Cable
- Inverters
- Peripherals
- Structure & Civil Work
- On-site testing

Specifications

MODULE

- 320wp - 400wp
- Polycrystalline / Monocrystalline/ Bifacial
- 25 Years Performance Warranty
- 90% of rated power output for first 10 Years & 80% of rated power output for next 15 Years
- MNRE Approved, TUV - IEC 61215, IEC 61730

INVERTER

- Single Phase - upto 5 kW
- Three Phase - upto 80 kW
- Hybrid option - upto 50 kW
- IP 65 Rated
- For Grid Connected String Inverter Maximum Efficiencies > 97.2%
- For Hybrid Inverter Max efficiencies > 85%
- No Derating upto 45 Deg C
- 5 Years Warranty
(Extended warranty available)

Disclaimer:

Technical specifications are subject to change due to continuous technological advancement

Advantages & Benefits

Faster Response

Bundled Financing options

Faster Solution

Ease of Purchase

Better Efficiency

Best in Class Quality

Quick Execution
