# RIDDLE OF THE MONTH

PUT YOUR THINKING CAPS ON! HERE'S A FUN CHALLENGE FOR YOU.

## ENGLISH

I have two main pieces, working as ONE, THE ENGINE THAT DRIVES, AND THE ALTERNATOR SPUN. I AM THE GAP FILLER WHEN THE MAIN CURRENT FAILS, DELIVERING RELIABLE POWER ON STEEL RAILS.

WHAT AM I?

## MARATHI :

माझ्याकडे दोन मुख्य भाग आहेत, जे एक म्हणून काम करतात, चालवणारे इंजिन आणि अल्टरनेटर फिरवणारे. मुख्य करंट बिघडल्यावर मी गॅप फिलर असतो, स्टील रेलवर विश्वासाई वीज पुरवतो.

मी कोण आहे?

## HINDI

मेरे पास दो मुख्य भाग हैं, जो एक साथ काम करते हैं, इंजन जो चलाता है, और अल्टरनेटर घूमता है। जब मुख्य धारा विफल हो जाती है, तो मैं अंतराल को भरता हूँ, स्टील की पटरियों पर विश्वसनीय शक्ति प्रदान करता हूँ।

मैं क्या हूँ?
