8 YEARS OF INNOVATION, DEDICATION, & GROWTH!

Eight years ago, we set out with a vision to deliver top-tier engineering, rental, and automation services. Today, Shyam Global Technoventures stands strong, proud, and deeply grateful. Our 8th Annual Day celebration was a beautiful reflection of this incredible journey and the tight-knit community we've built.

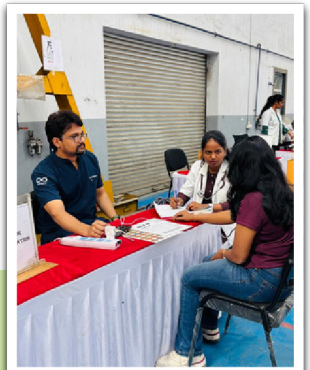

The event brought together our leadership, dedicated team members, and families for a memorable evening filled with recognition awards, a massive cake-cutting ceremony, & exciting giveaways. We look back at our journey with immense pride and step into our 9th year with renewed energy, passion, & commitment to excellence.

BLOOD HEALTH CHECKUP

PRIORITIZING HEALTH: OUR CORPORATE WELLNESS INITIATIVE

True progress starts with good health. Our recent Corporate Health & Blood Checkup Camp was organized to bring essential medical screenings directly to our workforce, making healthcare accessible and straightforward for everyone on-site.

The event saw enthusiastic participation as team members underwent detailed blood diagnostics and PFT evaluations, leaving with personalized health insights and actionable advice. We are incredibly proud of our team for taking their health seriously and look forward to organizing more initiatives that keep our workplace thriving, energized, and healthy.
